Academics

Course catalogue

www.sbs.su.se/en/Courses/

Students will be contacted with a finalized list of courses offered, along with a course registration form, at the end of the semester preceding their semester at SBS (roughly May for fall semester and November for spring semester).

Students are only able to choose courses that are offered by Stockholm Business School.

It is generally not possible to choose courses from other departments at Stockholm University, unless specifically indicated on the course list.

After returning the course application form, students will be pre-registered for courses and will find out which courses they have been registered for at the orientation meeting before each semester starts.

Students may add/drop courses a maximum of two times during the semester.

Academic prerequisites

Students should note the prerequisites for the course(s) selected. If the prerequisites for a course are not met, students will not be registered for that course.

Full-time workload

Full-time studies are comprised of four 7.5 ECTS courses, totaling 30 ECTS, per semester. Students can take either one 7.5 ECTS course per period or two at a time. There are four periods in one semester.

Autumn Semester Exams

Please note that the autumn semester lasts until the middle of January. It is therefore important for students to plan accordingly in order to be able to attend their courses until the very end of the semester, as early exams are generally not possible. There is also no official break period during the winter holidays, so students must check their class schedules for conflicts before planning travel for that period.

Class attendance

Students are expected to attend all lectures and seminars. For some courses, attendance is compulsory. Failure to attend mandatory seminars can result in a failing grade for the course.

Transcripts

Two copies of students' official transcripts will be sent to the international office of the home university after the end of the semester. Transcripts will be sent automatically, and students do not need to request them. Note that only courses in which a passing grade was achieved will appear on transcripts.

Grading system

Approximate percentage achieved, Swedish grading system ECTS grade:

90-100%	Pass with Distinction (VG)	A
80-89%	Pass with Distinction (VG)	B
70-79%	Pass (G)	C
60-69%	Pass (G)	D
50-59%	Pass (G)	E
49% and below	Fail (F)	F

Please note that Stockholm Business School will only issue grades to its exchange students in accordance with the ECTS grading system; which is, A, B, C, D, E or F.

Senior Buddy Programme

The SBS Student Association organises a buddy programme for exchange students called the Senior Buddy Program (SBP). Through SBP, incoming exchange students receive a Swedish buddy and participate in activities such as an introduction meeting in connection with Orientation Week, a tour of the SBS campus, and various activities throughout the semester.

Swedish Language Courses

Credit-bearing Swedish language courses at different levels are offered by the Department of Scandinavian Languages to all incoming exchange students. More information about registering for Swedish courses will be provided after students send in their registration forms. Information about the different Swedish courses available can be found at www.su.se/svefler/english/education/courses-and-programmes/swedish-for-international-students
